31 Oct 2024 | Evaluation Demo & Sprint 3 Planning

Attendees:

Adja Boye

Mik Driver

Sara Rezene Habte

Youssef Tassine

Hadi Assemani

Vlad Tita

Discussion Items

- Assess completion of sprint 2 (Everything Completed)
- Close all finished tasks.
- Proposed solution to communication issues in past sprints
- Reopen tasks from Sprint 1 that need to be re evaluated based on Changes made in sprint 2
- Brainstorm Extra Features for Sprint 3
  - Allow students to choose from 5 preset avatars as their profile picture
  - On the details page, the instructor should be able to sort the students based on their ratings (High to Low, Low to HIgh). Or sort last names alphabetically.
  - Instructors permitted to change colour scheme of dashboard
- Debug code needed to demo. (Issues were created by many people merging branches with the main without any automated testing occurring)

Action items

- ☑ ~~Demo to TA~~
- ☑ ~~Begin Sprint 3 Planning~~
